“ A Very Giving Man !!! I remember him at Plant City Little League, he was *THE MAN* at the mid season Barbecue, started way before daylight and was usually one the last to leave. Never saw him mad and never heard him speak badly about anyone, always seemed to have a positive attitude and seemed to be able to find good in most anyone. My Father, Irvin Rupp, had a list of people he depended on to get things done at Plant City Little League and I can assure you Mr. Tony Tucker was very high on the List. The Plant City area has lost a Great Man, and Heaven has gained one !!!!!

“ Dad, you were the best father and friend that a son could have. I know you are where you have been wanting to be. With Jesus and mom. I will miss you greatly now. But I know we will all be together again when the Lord comes. I love you. Your son, Mike.
