“ I remember when April and I were younger.I think I was spending the night or just hanging out.Tonya was there supervising us.We were playing dress up doing the whole make up thing dancing and singing just hanging a blast. Thought she was the best big sister. So funny and cool.April was lucky to have her sister and brother under the same roof.I am heart broken for my best friend and sister to have to feel this pain.Thoughts and prayers to the Holsonback family. Love you all.
