“ We didn't really know Tracy, but we know that all the Ironworker retirees appreciated Tracy sharing his musical skills at our luncheons.

*Robert & Zelda, our hearts go out to you in your loss, and we pray for God's peace and comfort in the days ahead. We believe the Grand Reunion is coming soon, so it won't be long before you are reunited!*

“ Dale, Zelda, and family, my sincere sympathy! I know sorrow when it comes to losing a loved one but I can't imagine losing a child! My heart goes out to you and I hope you will still accept me as part of your family! I feel the Hinson family is still my family even though some think the in-laws don't count anymore when the family member dies. I personally don't feel that way! I miss Hilda greatly even though it has been 12 years but I am thankful that she still has family that I can count on as friends! I love you very much!! Billy Swindal

“ God called me home  
I only took 2 steps  
Before my time expired.  
My faithful dog beside me all night.  
Please know God felt it was better this way.  
So moving forward,  
Every sunset you see, know I'm watching it with you and see the  
tears.  
Every time the Lighting score a goal, know that's a kiss from me to  
each of you.  
Every time the Bucs score a touchdown, know it's a hug from me to  
each of you.  
Every time you see the moon, know I see you and I'm watching you  
and I see your prayers .  
Every time it rains, you will know how much I love each and every  
one of you.  
Please count your blessings.  
Count your time wisely .  
Signed the Heart of a Man that left us to Soon. ❤️🙏

“ *What a special man Tracy was. He loved what he did and brought so much joy to events and special gatherings as a talented DJ. As a drummer, there was no one better in my opinion. I hope he said hello to my Linwood when he arrived in Heaven. He thought alot of Tracy as well. My heart goes out to his family.*

“ We met Tracy through Bridget his sister and JS Robinson Elementary School events! He was a fun interactive DJ at all events. Always got out on the dance floor to teach us the new dance! He also graciously honored my daughter Abigail Owens Parker on her 18th birthday luau! He also mastered in his DJ business to do several of our Kenny Yoho's motocross banquets! You used your talent well! Though Heaven is your home now ,you will be missed💕💕 Greg and Kim Burnett

“ Tracy and I have been friends for as far back as I can recall making friends...we were little kids. Went all through school together. Lived really near one another so always rode the same bus. I can see him so clearly getting on an off the school bus lugging that giant bass drum nearly the size of him! Through the years I got to watch him go from that to a full drum set. He sure could play! I have to give him credit for talking me into going to visit his uncle Ronnie's church and that led to my continuing to go, then I convinced my then boyfriend to go as well. That boyfriend became my husband. We got on the track to salvation basically because Tracy wanted us to come to HIS church where we wouldn't have to be in a place that although was local for us, we knew no one. He was such a good guy, funny and real. We are still shocked and saddened by his loss and will forever remember him. Our condolences to the Dixon family. May God bless your family and embrace you during this difficult time. John and Larissa Henry

“ Tracy was a life long friend.. My heart is Broken for his entire family. He was such a Fun and funny person. We had so many great memories together. Its so hard understanding why? But I hold comfort in knowing hes with our Heavenly Father with no pain and sorrow. Hugging papa Dixon and MeMaw Dixon. What a Celebration that would be. Tracy was Blessed to have the Best Family. The Dixons all around are such mighty and powerful in the lord. Till me meet again my dear little Brother. I love you !
