“ I just learned of Travis' passing. We were stationed together at Minot AFB. He was a good man. He was fun, he was friendly, and he was trustworthy. I would find it hard to believe that he wouldn't have made a positive impression on anyone that met him and enhanced everyone's life that knew him. My condolences to the Brownlow family and to everyone that was part of his work and personal life.

“ In January I replaced Travis Brownlow in Kuwait. He trained me and we spoke together on multiple occasions. Lt Col Brownlow was always very friendly and came across as very competent and professional. I am saddened to hear of his passing. He will be missed.

“ Travis was a funny, warm hearted guy who always took care of his Airmen...D-Cell and all of his other SOCOM family are truly saddened by this sudden loss. He was a good leader and a mentor to those around him, our hearts are with his family. I used to love visiting with Travis when I went to see my husband at D-Cell, Travis always had something positive to say and would share a great stories about his big goofy dog and his kids, who were his pride and joy. We miss you.

“ Travis and I were deployed to Camp Arifjan, Kuwait for 6 1/2 months this past year. We spent a lot of time together. We had so many laughs together and I learned a lot from him. He was so proud of his, Elisha and talked about her often. He also talked a lot about his kids and how proud he was of them. He was so funny and kept us all laughing, especially with his "Roll Tide" sayings mixed with a southern accent. You will be missed, Travis, but I am thankful I had the chance to get to know you. Thank you for the laughs and for your friendship.
