“ *Tristan was a great friend to me for many years. I am shocked and despaired to lose such a wonderful person in my life. Like someone said he was a real gentleman. He had a good sense of humor and always brought a smile to my face. I have so many fond memories of Tristan that I can't even count them and I miss him so much already. We are praying for your family all the time and will never forget him. With love and prayer, Jeff Worthen and family.*”

“ I am a friend of Tammy's in California. I had the pleasure of meeting Tammy's little brother, Tristan, when he was visiting during the Thanksgiving holiday one year. I remember Tristan as tall, handsome, very kind, thoughtful, and lots of fun. He made me laugh a lot. I LOVE people that can make others laugh. Tristan had the gift of touching others and making them smile. I will remember him always. My thoughts and prayers are with Tristan's family and friends.##imported-begin##Melinda Chilton##imported-end##

“ I'm absolutely stunned at this news. Although I haven't talked to Tristan in a number of years I always meant to track him down and see how things were going. He was my closest friend for so many years when I was young. It's so sad to think that I'll never speak to him again. My condolences to his entire family.##imported-begin##Donald Asher##imported-end##

“ To Tristan's Family, I met Tristan at my son Danny's funeral in Ft. Lauderdale. I knew of Tristan because Danny would tell me he had the coolest boss at the UCF Bookstore. And how they became good friends. I remember thinking how wonderful Tristan was to take the trip from Orlando to Ft. Lauderdale for 1 day to say goodbye to his friend. But now they are together and although my heart aches for me and you, I know the boys will be ok. They have each other. I know what it is like to lose a child as I lost Danny at the age of 21 almost 2yrs ago. I wish I could tell you it gets easier, time heals all wounds and all the other things people say. Just take each day at a time. If you ever want to talk please call me 954 296 6878. God Bless You###imported-begin###Mary Jo Landers###imported-end##

“ *Mr. and Mrs. Hunter I am so very sorry for your loss. I used to know Tristan when I was in college working for CB&S Bookstore. He was without a doubt one of the best managers I’ve ever seen, and just a joy to work with. His humor was something that would always bring you up when you were down and just by talking with him you could tell that he had a great heart. I will always remember the fun times I had with Tristan while at work or at a sports bar. I pray for strength for your family during this tragic time, and I believe that in the end we will all be able to have another toast together. God bless.* **Patrick Kondor**”
