“ Dear Doodle (you'll always be Doodle to me), You were always a very special cousin to me and I will never forget all the loving things you would say and do for all of our family. You were always there when Dad & Mom needed your support, and you will always hold a very special place in my heart, just as Uncle Troy Lee and Aunt Katherine did. I'll never forget talking to you just 2 weeks ago at Aunt Lura's memorial service and how you still made me laugh! You always had that ability...to make people laugh without even trying. That's how I will remember you, smiling and laughing together! Say hello for me to Uncle Troy Lee, Aunt Katherine, and Dad! God speed Doodle! Love you, Reba###imported-begin###Reba (Petty's) Ferlita###imported-end##
