“ I only knew you from online, however i did and do see you as a friend. I miss our talks, and wherever you are now, I hope you are happy there. Wish you had gotten to try salmiak snus, i remember you being curious about that, and curious about so many things. I have a full log of the salmiak snus here beside me right now even.

“ *Van was just the best kind of guy. I will never forget his kindness and patience while he attempted to teach me about whatever IT disaster I'd caused at the moment. Sara - I'm just so terribly sorry, saddened, and heartbroken for your loss of Van. I will always hold dear the fondest memories of him, you, and our escapees when we were lucky enough to work together.*

“ Van was always good for a laugh no matter how your day was doing. I have to say without Van, I wouldn't be the Tech I am today. He hired me and gave me a shot when some places wouldn't and i learned so much from him and I know his memory will live on with all the people that knew and worked with him. You will be missed brother. Rest in Peace.

“ Few people had such an impact on Meridian as Van. He was one of the most responsive, most helpful associates I have ever known. Van was always willing to help and he did his job with an enthusiastic attitude and a big smile. He will be greatly missed by the Meridian family.

“ *Whenever I contacted Van for IT help his first response to me was "have you switched to decaf yet?" Then he would go on to fix my problem quickly and easily. His talent and humor will be missed. My sincere sympathy is extended to his wife, and to all of his family and friends. May good memories bring you peace.*

“ To Van's family and friends,

I'm sadden to hear about Van no longer being with us. He would always assist me when I would lock myself out my computer a billion times a day and other issues I have run into. I could go to his desk and he would never get annoyed and help me. I will miss his sarcasm, humor and he was the sharpest IT guy I know. My condolences to you guys at this difficult time. Praying for your strength, and may you find comfort at this difficult time.

Rest in peace!!

“ Van will be missed a lot. His positive attitude and sense of humor towards any problems always surprised me. I never heard “no” from him, it always was “yes, we can fix it” to all our IT problems. His positive and short replies “Have a splendidly terrific day! Root cause analysis is pending!” brightened our days. We will miss him a lot.

No words can describe how sorry I am for your loss.

May God wraps his arms around Van and his family during this difficult time. Heaven has gained another angel. Remember this , "God only cries for the living, because, the living is still so far from home."

“ Van will be truly missed. I could always count if an issue arose. He would show up, be honest with me about the issue, and make me laugh at some point while he was resolving the issue.

I greatly enjoyed working with him over the last year and a half and would like to express my deepest condolences to both his immediate family as well as his Meridian family.

“ Van was one of a kind. He had a gentle spirit and always went above and beyond to help anyone. He truly cared about people. I remember countless times he brought things for my husband just out of a mutual interest in gardening. That’s who Van was. May his legacy of generosity live on. Rest In Peace, dear Van. You will be missed. And Sara, I pray for peace and comfort find you in this difficult time. God bless you.
