“ My heart goes out to Vaughan's family. Vaughan was a fine gentleman and a very funny, caring man. I worked with Vaughan in the Walden Lake golf shop in the late 1980s and I was always impressed by his concern for others and his constant positive attitude. I remember how he kept us rolling with his humorous observations and just plain old funniness. I have very fond memories of Vaughan and was thinking of him today and was moved to comment. I hope this finds its way to his wife, Sophie.
