“ Vernon,
*My Father in Law my mentor, my teacher of life.
Vernon and Sandy took me into there family and under their wing
when I need it most and taught me how to be decent person. The
years of learing the Dairy Farming business with Vernon's teaching
was always the best part of my life. The time I was able to spend
with Vernon has been priceless. His teaching will be passed on to
all willing to learn.*

*My family and myself wish Sandy and all her family our deepest
sympathy for our loss.*

Sincerely, Ronnie

*Thank you so very much. He loved dairy cows and grew up with them-
showing the family Ayrshire cattle at all the New England fairs in the
fall-usually at the top of the class! And he passed that knowledge on to
our kids and many others. So many good memories!*

“ Sandy, Vernon will be sorely missed by myself and every member of the Brandon Woodworker’s Club. As has been stated, Vernon was the foundation of the woodworking community in Tampa Bay. His willingness to share and compulsion to teach drives everyone to seek excellence.

Please accept our condolences and know that our offer to help in this time and in the future is sincere and without limitation.

Thank you, Frank. He would never have thought he was the foundation but he became friends with several who started the Tampa club. And it all grew from that.

“ Sandy, I'm so sorry to learn of Vernon's passing. He was such a kind and talented man. I cherished the jewelry box and small heart shaped box he gave me. I use that box every day to put my special earrings in. Helping him with his anthology was an honor and now I will re-read it with a heavy heart. All the best wishes for you and your family at this sad time. Sending hugs your way.

I was not ready for him to go but he fell, broke four ribs then developed pneumonia. Was in hospital 13 days and they let me stay with him for 8 days even overnight before he passed on 10/10/20 so I could help feed him and hold his hand. Thanks for your wishes. Love, Sandy

“ *I remember my days at the dairy while attending 4-H. Mr. Blackadar; always with his pipe, I loved the smell of his pipe. He was always so kind to the many kids that passed through the 4-H club and he and Mrs. Blackadar always made everyone feel at home. Hay rides, marshmallow roasts, hot chocolate, 4-H workbooks! Just a few of my memories, I pray the Lord has filled your hearts with a lifetime of memories of your husband, father and grandfather. I will forever remember him as a quiet, honorable soul. Gods Blessing to you all.*
