“ Vicky Jean. I want to thank you for always being an amazing step-sister to me. You always gave me the plain truth about any concerns I may have had.

You & Terry were very gracious to me when I had Kristin. You were a strong woman with a huge heart. You had the best laugh, I can still hear it. To say you will be missed is an understatement. Granny Helen has all her babies with her now. I hope you're dancing in the heavens. I love you always. Peace be upon your soul.

“ How do you say someone will be missed when I didn't do my part when she was here. A few weeks before she passed I was going to go visit her but started doing errands & running and it slipped my mind so I put it off till the next day, that cycle repeated for a week until this. She was very much loved, more than I showed. She was a woman you never had to wonder where you stood with her. She was plain spoken, honest & loud (& spoiled me as a baby). My heart hurts for her daughters, losing a mom is a hole in your heart that no one can fill.

Your stories will be missed Vicky Jean. Be at peace with your husband, mom & siblings. Tell my family how much they are missed. I'll always remember you.

The spoiled Brat you helped create, lol.
