“ Such a beautiful smile, a kind heart, and all around good woman. Since a child I can remember thinking her smile was enchanting. Our family lost a big piece this week but we take comfort in the fact she smiles down upon us .....love John Jones a.k.a BUBBA

ME

“ Well my memories go back to when we were at Turkey Creek Jr. And Sr. High together. I met Vicky and we became friends right away with her warm sweet smile and was a cute as could be. We had so much fun with slumber parties, to regular parties . We used to joke and pulled things on one another. One thing that sticks out in my mind was one on her and Cindy on April fools day. There were rumors that certain children was going to be bused to another school so as that was a conversation at my house with Ms. English being a school teacher . Eddie and Carol and I was trying to decide about April fool jokes we decided to tell some of our friends we were being bused to another school and of course I picked Vicky. We cried an laughed . She made me feel so loved that day, but then she was that kind of person who made you happy just being around her!  
Cindy, Mr. & Mrs. Smith and family I am so sorry for your loss may God be with you as you go through these difficult time. Just remember when she looks down from heaven she will be giving you that beautiful sweet smile!

“ My memories of Vickie go way back to Turkey Creek Jr. High and High School, and on to Plant City High School. Her smile and energy would light up any room. I was really happy when I ran into her again when she and her beautiful sister Cindy came to our class of 1974 30 year reunion. My heart is broken for Cindy and the rest of the family, but heaven just got itself a good one! Rest in Peace lady until we meet again.
