“ Eugene and Margaret were great Christian mentors for Carol and I and hundreds of others. It was such a blessing to be taught, guided, and shown how to be a witness for Jesus. It was also a special blessing to be prayed for by these prayer warriors. Thank you Lord for letting us know and be touched by these faithful servants of Yours. We are sorry we didn't get to meet Dianne - heard she was wonderful too. Al & Carol Dodd

“ I never met his wife second wife, but him and Margaret were such great people. When I would go to church (not as often as I should have) I made a point to go hunt them down when it came to the praise & greet your neighbor part of the service and if I didn't and they seen me there, they would get me before I left out of the church. They did allot of praying for me. They were both some of the best people you could know. This saddens heart deeply. My deepest sympathy to the family.

“ Mr. Green was the finest man I have ever met. He was smart, hardworking, and just a joy to be around. He inspired me to be a better person and I will never forget him and will always be in his debt for all he taught me.
