“ Dear Carla and Family,

Our hearts go out to you all during this time of grieving. Vonell, took great delight in bragging on her family. She loved each of you deeply.

I'll always remember her extreme fear of snakes. One day when she was watching Brandi and you guys lived down the street from us. She called me with such panic in her voice, pleading for me to come rescue her from a snake in the backyard. After arriving and with close examination of the black object with it's head sticking up.....so she thought. It turned out to be a small limb from the tree. We broth had a good laugh. 😂 She will be missed by many.

With Heartfelt Sorrow,

*James and Cheryll
Witherington*

p.s. So sorry I was out of town for the funeral.

“ Vonell devoted her life to family and the Lord. Always a testimony to God and His wonderful Way. She loved to be happy and gravitated to happy people. She is the last of her immediate family. She leaves a big space and those of us left better behave so we can see her again. She is well and I rejoice for her but she will be missed.
