“ *Miss Vonnelle was trully an inspritation to many. She was a wonderful lady and so pleasant to be around and talk to. I was able to visit with her each Sunday and Wed. at church for many years. I , as many others looked forward to seeing her each Church service. She had to miss a lot of services lately because of her failing health. We all could tell that really bothered her as church is where she wanted to be. We all loved her and we miss her greatly. We all must lean closer to the lord in times like this and strive to live our lives in ways that is pleasing to the Lord.*

“ I am so very grateful to have seen Nan and Esau at Fred's a few months ago. We were able to reminisce about the many road trips to Georgia with Nan, Esau, Sheila and I. I think I spent more nights at Nan's house than I did my own for quite a few years!! She was always a such a wonderful and kind woman who more than tolerated our incessant, boisterous craziness :) I am soooo sorry I could not make the service to show the vast amount of respect, admiration and love I have always felt for her. My deepest sympathy to Sheila, Davy and the entire family,
