“ Guess we will not know how them fish bite at your lake= kept saying "Oh we are going to come and spend time fishing with y'all." Well that didn't happen, maybe in another life time. You will be missed. You were our Momma's little brother, we will always remember you. Now you rest. God Bless you and Dear Lord, take care of the love of his life, our Aunt Faye. and his only son, Wally.
