“ I wonder if you truly knew how much you would be missed once you were gone. You may have, because I think it was one of your life-long accomplishments to make everyone around you feel loved. I can't remember ever being around you where you didn't say something kind about me ,...EVERY SINGLE TIME....Now that takes a wonderful , extraordinary person to be so positive in that way .There was one exception though ,... I remember when Maw Maw made me one of those long dresses (that goes to the ankles ) and a bonnet when i was in Jr.High School ,.... You hated that dress - you told me so ...hehe. But I loved it ,as it was " the thing " to wear in those days. I actually still have the dress and bonnet . Uncle Junior, there is a huge empty spot in my heart because it is missing One of the best Uncles in the world . I know you're smiling looking down on us....I can feel it!.....I love you so much and I hope you knew that . You have inspired me to be as kind to people as you have all your life. I just hope I can have a third of an impact as you have on people's lives. Aunt Minnie, what a beautiful woman you are , inside and out. I have nothing but love and admiration in my heart for you . I want to praise you for the longevity of your Marriage- that is so rare these days! Always know I'm only a phone call away . I pray you find the strength you need to start each new Day . I also want to say you are one in a million , of all the years you have been my Aunt , I have never heard any negativity come from you ..You and Uncle Junior were " One " together and honestly the best Aunt and Uncle any niece could ever ask for . I love you Aunt Minnie!!!...Angela and Gloria, I love you cousins.....so much and can't imagine the grief you all are going through . I will pray each day that The awesome memories of your Dad will replace any pain in your hearts... Please take care of your Mom - She needs all of you now as much as you need her..... Your niece and cousin, Carol

“ Dear Cousin, I will always remember you and the way you loved to sing. If there was any singing going on at a family gathering, you were right therein the midst of it. I can envision you now singing in that heavenly choir. You will be missed. Your suffering is over. God bless you Minnie and we love you. Our thoughts and prayers are with you and the rest of the family. Love, Felicia
