“ Wanda,
Thank you for all of the memories. I am so blessed to have years and years of "Wanda-isms" and a front row seat to the best comedian around! I will cherish you and the memories forever because now, sadly, they're all I have left. Wish I could hear you say, "I love ya, girl!", one more time but what matters is that I know you loved me and you knew that I loved you too...always have...always will! I remember when we'd sign our long letters (in our huge bubble writing), "BFF" and "LYLAS"...now this is tattooed in my heart kept sacred along with your memory and the wonderful times we once shared.
Your Friend Eternally,
Valarie
