“ When I had a head injury in a car accident, Wanda waited up for us to come by after the hospital trip so she could wash the blood and glass out of my hair. Have never forgotten that. One time she also tried to cut my daughter's hair while she was squirming around. Wanda got her an apple to eat while she cut her hair....it worked, too! Wanda was the best....a beautiful and godly woman. She will be missed in our community. May God give the family peace as you go thru this grieving time.

“ So sorry for the loss of your dear mother and grandmother. Wanda used to "do" my hair many years ago and had such a sweet spirit about her. I moved from PC and had lost touch with her. Please accept my sincerest condolences in her passing.
