“ I am very saddened by this news. I try to find comfort in knowing that she isn't hurting anymore. I wish I had spent more time getting to know her. My heart hurts for Danny, the kids and the grand babies. She was very proud of her beautiful family and loved talking about her grand babies. Gone too soon, never forgotten. She's with her momma and sister now. ❤️❤️❤️.

“ I know that we didn't grow up close together throughout the years but the day I met Uncle Danny and Aunt Wanda as child, they left an ever lasting impression on my heart and reminded what family truly is and I felt

My heart full. I've always found peace and comfort talking to my aunt and hearing her wonderful stories that I couldn't get enough of. I always felt close even miles away. Aunt Wanda had a big heart of gold

And would help anyone. She taught us lessons and showed us how to be strong. She was a woman we always looked up and wore her heart on her sleeve. I

will miss her dearly but I know she is at peace. I love you aunt Wanda! Until

We meet again.
