“ *I just discovered that Wayne passed away tonight. He was my childhood and teenage hero and someone I admired and carried with me through my entire life and "Aunt" Merle is someone I love as much as my own family. My heart is broken but I am thrilled to see all the years of memories in the photos of the couple I love and respect. You'll always remain in my thoughts, heart and I am grateful for the parts of my life you both contributed to in many ways.*

*Much love,

“ Aunt Merle,
I was so saddened to hear of Uncle Wayne’s passing. I have always prayed that Steven and I would always have as much love for one another as you and Uncle Wayne. Some of my fondest memories as a child is when Uncle Steve and Aunt Connie would take me to the races to see you and Uncle Wayne race. Aunt Merle, you and Uncle Wayne will always have a very special place in my heart! I am so sorry I will be unable to be there with you the day of Uncle Wayne’s service. Please know that I will be there in spirit and wishing I was there to be by your side.
All my love,
Jennifer

“ When Billy and I went to the lake with Wayne and Merle enjoy the whole day riding airboating and then going to lunch. What a blessing we love and will miss him so much.
