“ You may have thought I didn't see,  
Or that I hadn't heard,  
Life lessons that you taught to me,  
But I got every word.  
Perhaps you thought I missed it all,  
And that we'd grow apart,  
But Dad, I picked up everything,  
It's written on my heart.  
Without you, Dad, I wouldn't be  
The (woman)(man) I am today;  
You built a strong foundation  
No one can take away.  
I've grown up with your values,  
And I'm very glad I did;  
So here's to you, dear father,  
From your forever grateful kid.

“ *My sweet Wayne, Thank you for being my family and most of all thank you for being my friend. So many memories of us growing up together, living side by side going to school together. Brooker, Turkey Creek, and then Brandon (well the little bit that you were there). You have always been more of a brother to me then a cousin. You have always and I do mean always stood by my side. Looked out for me, helped me and come running day or night if I needed you. Last time we talk I told you how much you meant to me and how much I appreciated you. Your reply was that is what family is all about. So again I thank you for being my family. Now for a story*

*Wayne and I were going off and he had came to the house and picked me up, Dad ask Wayne when we would be back Wayne didn't answer so Dad ask again WHEN WILL YOU BE BACK. This time Wayne replied. Uncle Gene if we are not back by Easter go ahead and hide the eggs.*

*OMG I'm going to miss you I can't believe your gone. My heart is hurting. I love you so much. Thanks for the memories, thanks for the friendship and most of all thanks for just being you my Family. Love you forever Judy Petitt*
