“ Sending Condolences and much Love from Texas to The Carson Family! Having broke bread, laughed & prayed with Ms. Betty & Mr. Hap, it was evident God, Family & Country were First and foremost in Mr. Hap’s home. His gain of Glory is certainly the loss to those left to journey~

“ Oh how I loved Mr. Carson! It always made my day when I saw him. He is the sweetest man and Heaven just got even better because he is there now. The best part of my job is having a few very special people that touch my heart along the way. The worst part is when we lose them. I cannot come to the service because of work but I will absolutely be thinking of him and his sweet family all day.

“ I will remember Mr. Carson for his great smile and enthusiasm for life. He took an interest in people beyond the work world -- he even encouraged me to step out of my comfort zone and take ballroom dancing lessons (which were fun but not fruitful!). I remain inspired by the joy and love for life that Hap and Betty brought to every FFAA meeting, as well as their unwavering dedication to faith, family, and community. Hap's legacy lives on in the hearts of all of us who were fortunate enough to know him. Rest in peace, Mr. Carson. You will be greatly missed.
