“ *We went to church with William and his family for many years. We were very close to their family and love each one. I pray that each family member reading this is sure of your salvation in your relationship with Jesus Christ. Those I know, I hope to see you in heaven one day soon! And those I don't know, I hope to meet you there! I am praying for you all during this difficult time. May the Spirit of the Living God Comfort you as only He can!*
