Karen & family - so sorry to hear about Gary's passing. Man - what a neat guy. Jack of all trades. I'll never forget how I once asked him: "Gary, what's the best way to replace these three tub tiles that were damaged during some plumbing work?" By the time we got done, we'd demolished the ENTIRE bathroom and pulled down the dropped ceiling. Took about an hour to tear it all out. (Of course it took me about 3 months to put it back together!). Great friend. Would do anything for you. Will definitely be missed. Love you guys. Praying that the Lord comforts you during this time.

Karen and all; I am so sorry for your loss, my condolences and prayers are with you.
