“ *My Big Brother was one of the finest men I have ever known ! I would call him a SUCCESS in this life . He leaves a legacy any man can be proud of . He loved his family with all his heart . I enjoyed our visits we laughed , we reminisced, played cards , argued, watched Old Westerns , and Fox News . Oh how I will miss you ! But most of all we made precious memories. That is what I will draw comfort from . My heart is with his six children & their families. They gave him care , comfort and surrounded him with love ! He took much pride in his children and grandchildren. I love you Brother Florida will just never be the same without you and my big sister .*

“ *My thoughts and prayers are with y'all. Leo and Bill enjoyed each other's company and thought a lot of each other. When Bill started coming over, my Daddy, started calling him "Scooterville" as he said that's where Bill and my Momma were from. Always loved his laugh. ❤️❤️🙏🙏*
