“ *Millie and family. This is such a bittersweet time. While we still here on earth are heartbroken for this loss. At the same time. I am rejoicing for him as he has a new body...no more pain....he is with his Savior and loved one and friends. As I stated in my card....so many great memories. The early days of Landmark. Always giving him a kiss on the cheek. Him always asking...have you been behaving....of course the answer was are you kidding? Of course not....the days ahead will be will be filled with different emotions.....but his passing is not the end.....How wonderful it will be when we all get to heaven for that wonderful reunion. Daddy and I love you guys. Hugs n Prayers. We know that God will hold you in the palm of His hand while you go forward on this journey.*
