“ *Lil Bill as I knew you. I will forever remember coming to see you guys as kids. I remember the TV room your parents turned into a media room w a giant projection screen. The smell of a burning fire place to this day still takes me back to that time. We loved coming to see you guys and your awesome parents. Your Mom was the true definition of the word southern hospitality. Your Dad was so funny! Seeing you guys and Grandma and Grandpa Cherry was 1 of the highlights of my childhood. I'm sorry we didn't stay in touch throughout our life. I will pray for your children and wife Michelle , I know you are always with them. Linda*
