“ My favorite Uncle..we were so close in age that as a child he was like an older brother to me... There was no one quite like him..he was kind and funny and loving .. I will miss his laughter and his love.. Our family will never be the same without him.

“ *My wonderful brother who was my best buddy. We had such great times together. There was nothing we could not talk about, we had no secrets from each other. We were very close as friends and family. MY BUDDY AND BEST FRIEND IS WITH JESUS.. I will and already miss him so much but now he is not suffering. He is probably having a ball in heaven with all of the family who have gone before and someday soon I will join all of them.*
