

Mr. William Ivey Floyd "Cowboy"

June 15, 1957 - May 10, 2026

William Ivey Floyd "Cowboy", 68, passed away on May 10, 2026. Born in Samoset, Florida on June 15, 1957 to Robert Benson Floyd, and Louise Lois Walls. Cowboy was a resident of Plant City, and eventually made his home in Lakeland, Florida. He was a professional truck driver with an extensive career with I.P.C. He was a man of simple passions—he loved building hot rods and sunsets at the beach, a handy man who enjoyed projects around the house, and never turned down a chance to play sports, or pool and karaoke at the Strawberry Patch with his friends. Those who knew him best remember him as a truly selfless man who gave to others without ever looking for a "thank you." That kindness is the legacy he leaves behind. He is survived by daughter, Amanda "Mandy" Floyd of Plant City, and her mother, Frances Whiting (Steve); grand-dogs, Lili and Myla; and grand-kitty, Lexi. The family plans to hold a private celebration of life at a later date.
