“ Dear Hitson Family: We had the pleasure of meeting Dean and Marie last year. Amy loved her grandfather so very much. Clearly he was a good grandfather to her and had a strong influence on her. I know she and her family will enjoy visiting wonderful memories of Dean. And she will continue to make memories with Marie. May God bless your family and those who are experiencing the loss of this man. The Tennessee Wright's(Amy's in law's).

*Marie we are so sorry to hear about dean. Our love and prayers go out to you and your family. My first memory of dean is when our families moved to Tennessee in 95. The big snow that came and yall drove to mom and dads house and we played in the snow for hours like kids. Amy and Ashley were toddlers. It seems like yesterday. Love and prayers to everyone.*
