“My Dearest Bubba, I still can't believe that you were taken from us at this point in your life, it seems like a bad dream. I love you so much and will miss you dearly. Give mom a big squeeze and kiss for me and make sure to stick your finger in her food. I will see you guys when it's my turn! Love your sister....

“ I remember the day you and I watched Hailey while the girls went shopping, she ran us all over the house, the yard, and was still going but could see that Hailey loved the time with her grandpa and grandma. I'm glad you got to spend more time with her lately and you will be greatly missed by both of us.
