I always enjoyed visiting William and his family during reunion time. He always had a smile and was kind at all times. We would sit around the table for break fast and talk. My dad is his first cousin and they were more like brothers, He is going to be missed . I know he is sitting around the throne with my granny Inez and the others who are there.

Yes, Cindy he will be missed. I am so glad I got to see him one last time at the family reunion last month. At least, we know he has a brand new body, and we will see him again one day. Heaven has another Angel.

“ William was a quiet spirit; he did not say a lot, but what he said was always good. He was a great cousin and most times he had a big smile on his face. He had a sharing spirit as well.....he will missed greatly.
