“ Hi Cheryl. This is Albert (Al) Cacace. I am very sad to learn of Bill's passing. I looked up to your brother. He showed me to ropes at one of my first jobs working for Charlie Brown (sic) at the Gas Station in Miami. He taught me much of what I know about auto mechanics. I remember vividly many of the great times we all had just being teenagers. Bill was just a genuinely great guy.
I hope you and your family are doing well.
I have a pic of Bill from the early 1970's. I'll try to find it.
I can be found on the Signal app.

“ Dad, thank you for all the time we spent together. Over the years you have become my best friend and I will greatly miss you. Words can't express how much you mean to me. I'll never forget all the things you taught me and the wonderful adventures we had together. I wish you were still here with me, mom and Daniel. I love you Dad!
