“ Robbie,

I don't know if you got my original message so I will send it again.

We were saddened to learn of Bill's passing. We are experiencing hard times here as Bob is now on hospice. He does get out and about and we would have come to the Bushnell ceremony had I only checked my email sooner.

Do know our thoughts are with you and may you have peace and comfort in your time of grieving.

Sincerely, Bob and Jane Van Syke

“ *Robbie, although you have lost your soul mate, I hope you will look back on a lifetime of shared memories and joy with the knowledge that you have lived a good and purposeful life together always thinking of the needs of others and giving so graciously of your time and talents in making this a better world. He was a gift to all who knew him. My love and deepest sympathy now in this sad and difficult time. Carol Wheeler Levy*
