“ One tough Lady that I always admired, (I thought she was gonna kill me and Kris a couple of times) but she always let us know she loved us.... Such a good family woman and friend.... If she was on your side you knew you were gonna win....
God Bless Donna, Joe, and family....

“ Jean was a firecracker and kept us all on our toes. I'll remember her for her love of crafts and being an advocate for the Deaf. We were very close and she's been by my side for well over 35 years. I've missed her this last year, after taking a turn for the worse. I'm relieved she is no longer suffering. All my prayers are with her family. God bless her soul, rest in peace. XO

“ Jean and Tracy were a big part of my life and I felt especially close, probably because they weren't that much older than I was. Guess my day is close. Love them always.

Jean and Tracy opened up their home and their hearts and shared their family with me when I was a teenager. I'll always remember what they done for me with gratitude. I am sure that Jean's passing will leave a void in so many people's lives ... To Donna, Joe and grandchildren... I am so sorry for your loss 💔
