“ Uncle Willie was always so full of life and so much fun. If you asked he what he wanted to do he would simply say. Well lets do something even if it is wrong. Well sometimes it was and then he would say, Maybe we should have thought this out better or just simply.... Oops. But we always had a good time and he enjoyed us doing things with my family. I Will Always Love and Miss You Uncle Willie. Your buddy Johnny

“ *For the past five years we had the privilege of spending everyday we possibly could with Uncle Willie and being everything we could for him. He was a blessing to the family and friends he left behind who loved him and respected him for just being himself. The last few months living with him everyday was an adventure that we would not have traded for the world. He loved us all dearly and let us all know in his own way what each of us meant to him. He will be dearly missed, always loved, and never forgotten. We love you Uncle Willie!*
