“ *Mother of 7, GrandMother of 22, Great GrandMom of 16 and growing....but always an all-knowing smile on her face....she just made it look easy! Her kidding, joking, opinions and jesters all kept us moving forward with our lives.....Wow! She was a great Mom! ...and her secret....Love....she always had time to care and love! I will live with her in my heart forever, complete with the kidding, joking, striking opinions and, of course, the smiles and the jesters!*

*Love always, your son Jim*
