“Granny.. You were the best.. An amazing mother, friend, grandmother, great grandmother and much more.. I miss you terribly but I know your in heaven watching down on us keeping us in line... Not a thing I do doesnt remind me of you and as hard as it is im gonna press forward move on with the military, do the honorable thing and make you proud.. Thats all I want I am going to my ship soon and then I will be traveling everywhere and hopefully you will be with me.. I love you sooo much. I promise I will take care of mom and take care of pop and help them guide their way through these hard times. Words cant express how much my heart is breaking but yet Im happy you went to heaven to be with your mom and daddy.. You deserve to be at ease and to be happy.. Just wish it wasnt so soon. I love you Little Granny.. Drink some sweet tea for me in heaven. Miss you lots.. Dont worry bout mom I will take care of her.

“ *Connie, I am there with you in my heart. I loved Aunt Winnie so very much, she was the kind of Mama, I wish that I could have had. So loving and kind in her own sweet way. I feel as if I have lost someone so very dear to me and I shall never forget the times I shared with you and her. Always know that I love you and I hurt for you and pray that God eases your pain in some special way. Time is the only thing that will come and go and each time you notice you will begin to smile a little bit more than you did the day before because you were very blessed to have a special Mama. I love you.*

“ Connie, This is the most difficult time for you and no words from anyone can change the heartbreak you are feeling. You mom was the most amazing, sweetest, strong woman I have ever known. She will be missed so much.

Connie, There are not enough words that can say how much my heart is breaking. We have watch her fight this battle for 15 years. She is the bravest and most couragous woman I know. She is our hero. I will always treasure that last conversation we had with her on Friday night. She told us she met her daddy in the hallway of her house and in introduced her to her mamma. She was young and beautiful. Her hair was so soft. And making her some sweet tea. Some good sweet tea. Hearing her say this over and over lets me know Heaven is for real. We all know she is in heaven making biscuits and tomato gravy drinking her sweet tea with Granny and Grandpa. I sure hope they have creme filled donuts. We loved her so much and she knew it.
