“ Zack was the most pleasant person to work with! He made each shift more enjoyable when I could just look his way and receive an adorable smirk and approving nod. I never really got to tell him how much I cared for him and how concerned I always was for him. He surely will be missed by so many, especially me, and how many people he affected over his short life. I will always remember, miss and love you Zack!!!

“ Zach always had a friendly smile for everyone and had such a great sense of humor. He was always entertaining to talk to. I saw how many of the younger kids where he worked looked up to him as a mentor. He will be missed by many. God bless his family and friends.

“ *Zack was always smiling and willing to help when asked. I remember last yr. for Christmas I bought a small tree for the Theater. Although he liked it, he had a "bigger" and "better" tree he wanted to put up. He got one and he was right! It was bigger and better. I know I'll cry when I put that tree up this year. I'm just thankful that I was privileged to know such a sweet young man. Prayers to his family. Your son was very special to many people.*

We'll always remember Zack as the blond boy  
with the quick smile, giving it his all during

God will comfort you as only He can.
